Compass – Viewing KLAs for your child

When you have logged into Compass you can view all of the KLAs that have been set for your child or children in one list. Click on the pencil icon on the top menu bar and then select Learning Tasks.

Now, scroll to the bottom of the page until you see the bottom bar, similar to the one below.

Then, select the drop down menu and change the number of items from 20 to 500.

Now you can view all of your child or children’s KLAs for the year. For semester 2, the relevant KLAs are those that are due after the 16/6/14. The coloured dots next to the students’ names mean the following:

Green = submitted on time
Yellow = submitted late
Red = overdue
Grey = not yet due
